The Eternity Game

## The Heavenly Bodies

### JUPITER

Jupiter is the lord of the noosphere, our mental heaven, representing the world of ideas and ideals. He governs all in us which strives for justice and freedom, understanding and comprehension. He stands for our aspiration to

#### knowledge

as opposed to our ignorance, for the higher parts of our mental being as opposed to the mere mechanical mind, and he is the protector of the sincere seeker, the conscientious

#### scientist

the discerning thinker and scholar. The soaring eagle is his symbol, and the path to him and his heights is a life dedicated to

#### study

and untiring, selfless research.
